Heartland Tri-Lobe Screw by AttaBox®

### Description

1/2 Inch Nylon NPT Cable Glands offer a solution for secure and reliable cord connections in industrial and commercial settings. Designed for NPT thread types, they fully seal and are moisture resistant, offering numerous benefits.

### Application

Cord Grip used with enclosures which house electrical and electronic controls instruments; and components

### Features

- Nylon cord grips are durable and easy to install. The body and sealing nut are manufactured with a tough; impact resistant nylon. Together the nut and washer form a positive sealing grip when installed through an enclosure wall.

### General Information
